

Making the railway system
work better for society.

DECISION n°178

of the Management Board of the European Union Agency for Railways amending the technical and functional specifications for the establishment of the One-Stop Shop (OSS)

THE MANAGEMENT BOARD OF THE EUROPEAN UNION AGENCY FOR RAILWAYS,

Having regard to the Regulation (EU) 2016/796 of the European Parliament and of the Council of 11 May 2016 on the European Union Agency for Railways¹ (hereinafter referred to as “the Agency”) and repealing Regulation (EC) No. 881/2004 (hereinafter called “the Regulation”), and in particular Article 12 § 2 and recital 15 thereof,

Whereas

The one-stop shop Vision document should be amended to reflect the updated project requirements, after discussions in the Agency, and in consultation with the NSA and the Sector representatives, as members of the one-stop shop user group. In particular, the changes to the Vision aim at supporting the following:

- a. Alignment with the schedule of related projects in the 4RP program (i.e. start of the Shadow Running Phase in Sep18, start of operations for submission of VA applications in Feb19);
- b. Integration with ERATV after Jun19, as soon as ERATV will be ready to support the 4RP objectives;
- c. Inclusion of fundamental features for ERTMS.TP applications submission and recording of the decision for the release of Jun19, while other features of this business domain may be implemented at a later stage, after Jun19;
- d. Hosting of the system outside the ERA premises, using a reliable cloud offering that meets all security requirements and provides excellent flexibility and cost efficiency.

HAS DECIDED AS FOLLOWS:

Article 1

The technical and functional specifications and a plan for the establishment of the One-Stop Shop (OSS) are amended as set out in the revised Vision Document annexed to this decision.

¹. OJ L 138, 26.5.2016, p. 1-43.

Article 2

The present decision shall enter into force on the day following that of its adoption. It will be published on the Agency website.
