**Subject: Recommendation 006REC1078 of the European Union Agency for Railways on the revision of the technical specification for interoperability relating to "safety in railway tunnels"**

Dear Ms WERNER,

In accordance with the legal basis, the Agency has adopted a recommendation 006REC1078 on the revision of the technical specification for interoperability relating to "safety in railway tunnels".

Please find attached to this letter:

- › The adopted Agency recommendation 006REC1078.
- › The accompanying report 006REC1078/ACR, which provides information about the development of this recommendation, working methods, the minority opinions raised by the stakeholders and the Agency conclusions; and
- › The light impact assessment report developed in support of the recommendation;

Should you require further clarifications, please do not hesitate to contact me.

For detailed questions, you may wish to contact Mr Pio GUIDO ([Pio.GUIDO@era.europa.eu](mailto:Pio.GUIDO@era.europa.eu)), Head of the Railway Systems Unit.

Yours sincerely,

Josef DOPPELBAUER  
Executive Director
