

# The Logit One Platform - Clecat

16th May 2018

**Mark Scheerlinck**

Business Development Manager

your  
ambition

your  
challenges

Use digitization for smart logistics

Drive transformation rather than undergo  
disintermediation

Online quotation, booking & intelligent visibility

Untangle the complexity of global shipping

Generate value to your customer

**Our ambition is to enable you  
to achieve this**

Competition will be fought on

Visibility

Hinterland

Freight Forwarder Networks

# Supply Chain Collaboration for optimal Multimodal Planning

Prediction of ETA's and disruptions

Optimal door-to-door + hinterland

Transparency of costs

Empty container reuse

Respond to RFQs in real-time

Sustainable alternatives (lean & green)

Support multi-leg shipments that span  
multiple countries, modes of  
transportation and parties

Global delivery & local expertise

Opportunities for joint marketing, sales &  
procurement channels

**about**

Logit One was founded in 2013. With teams in Belgium and India, we offer intelligent SaaS services so that our customers can derive the maximum benefits from a digitized logistics process. To achieve this, we bundle solutions for end-to-end visibility, planning and collaboration within a multimodal environment, and freight network management.

**disclaimer**

This presentation contains simplifications. This is done for ease of understanding.
