

## COVID-19 and railway services

At railway stations and on trains, passengers should try to keep as much physical distance as possible.

Where physical distancing is not possible, the use of face masks is recommended.

Strict adherence to personal protective measures, by both passengers and railway staff, is crucial in order to reduce the risk of COVID-19 transmission.

Physical distancing.

Appropriate use of face masks, in areas where physical distancing is impossible.

Respiratory etiquette.

Meticulous hand hygiene.

If available, the use of mobile contact tracing applications is recommended.

**Be smart.**

**Stay safe.**

**Care about others.**
