

DRAFT AGENDA

Launch of ERA's 2024 flagship reports

Brussels | Residence Palace | 155, Rue de la Loi

2 JULY | 09.00 - 12.00 CET | POLAK ROOM

09.00 - 09.30 | Registration

Please allow some time for security checks and for collecting your badge

09.30 - 10.00 | Opening session | Introductory Remarks

Representatives of DG MOVE, and the Executive Director of the European Union Agency for Railways will share the impact of ERA's activities, and the importance of the two flagship reports for the decision making process, and for creating a European railway mindset.

10.00 - 10.30 | Safety and Interoperability Report 2024 | Main findings

The report is a key element in ERA's continuous effort to better understand the situation of European railways and its evolution over time in terms of safety and interoperability.

10.30 - 11.00 | Report on the Environmental Impact of Railways | Main findings

The Rail Environmental Report explores key topics such as policy objectives, environmental impact, mitigation measures, and climate adaptation within the rail sector.

11.00 - 11.30 | Q&A session

Questions and Answers Session will give the opportunity to create a vivid dialogue with media representatives, as well as with the rail sector representatives joining the meeting.

11.30 - 12.00 | Concluding remarks and networking buffet
